Introducing **Boot Camp**

PAGE is pleased to introduce Boot Camp, a series of seminars especially for parents. The presentations will focus on helping parents understand giftedness and learn about parents' rights as set forth by our state regulations. Get suggestions for developing a real Gifted Individual Education Plan (GIEP). Learn how important it is to establish Present Ed Levels of Performance for your child. One of the most valuable outcomes will be networking with other parents and gifted advocates to share concerns, ideas, "war stories," and maybe even solutions!

Look for the  symbol in the program to identify the Boot Camp sessions. A double boot will denote a required course. To enroll, pick up a form at the conference registration table. Participants will receive a Certificate of Gifted Parenting, special packet of information, and an entry into a drawing for a gift certificate redeemable in our vendor area.
